

Business Model

Revenue Streams:

- **Featured Job & Internship Posts** – Companies pay to promote job and internship opportunities.
- **Featured Marketplace Listings** – Students can boost product listings for better visibility.
- **Company Subscription Plans** – Monthly or yearly subscriptions for recruiters and partner organizations.
- **Course Commission** – Earn commission from online courses and skill development programs.
- **Sponsored Events & Promotions** – Universities, clubs, and brands can sponsor events and campaigns.
- **Premium University Dashboard** – Subscription-based analytics and management tools for universities.
- **AI Premium Membership** – Paid access to advanced AI features such as resume review, career guidance, and smart recommendations.
- **Digital Advertising** – Revenue from targeted advertisements by educational institutions and trusted brands.
- **Campus Store Commission** – Small commission on transactions made through the campus marketplace.
- **Verification & Premium Services** – Fees for verified business accounts and premium seller features.
